

DOMESTIC VIOLENCE AND VICTIM SERVICES

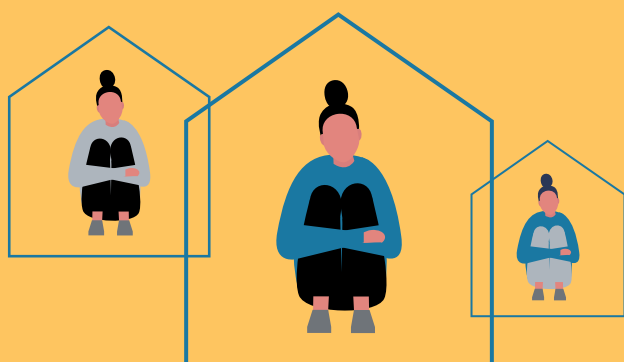

MAKE THE CONVERSATION EASIER

1 BILLION KIDS

Globally, about 1 billion children aged 2-17 years have experienced physical, sexual, or emotional violence in the past year, according to the World Health Organization (WHO)

WOMEN 1 IN 3

35% of women worldwide have experienced either physical or sexual or non-sexual violence in their lifetime (WHO)

*UNDER-REPORTED

Men who are victimized are substantially less likely than women to report their situation to police, according to the National Criminal Justice Reference Service (NCJRS)

MEN

Advocacy and empowerment counselling interventions, as well as home visiting, are proven and effective methods of preventing or reducing domestic violence. Technology can assist such human social services and nonprofits in scaling and improving their efficiencies. To learn how Penelope helps victim services organizations track and report on their services more effectively and securely, [book a complimentary consultation with a Penelope Expert](#) or contact us at 1-866-806-6014.
